## Profile

Junior front-end developer skilled in HTML, CSS, JavaScript, and Bootstrap. Passionate about building responsive and user-friendly interfaces. I am eager to contribute to innovative projects and grow my skills in web development.

## Education

- **Health Technical Institute**

Department of Medical Registration and statistics

Graduation date: June 2023

## Training

- **NTI Front-End Development Training: 120 Hours (90 Hours for Technical Skills and 30 Hours for Freelance & Soft Skills) 10/2024 to 12/2024**

Focus on Front-end development fundamentals, including HTML for structuring content, CSS for styling and responsive design, JavaScript for interactive features, Bootstrap for streamlined UI components, and essential soft skills like communication, teamwork, and problem solving.

- **McKinsey Forward Program** ([Issued by McKinsey & Company](#))

Earners of this badge completed the McKinsey Forward program, gaining skills in problem-solving, effective communication, adaptability, and digital tools for future workplace success.

## Projects

- **NTI Final Project (E-commerce website)**

This project is my graduation project from NTI Frontend Training. My responsibility in this project was handling all JavaScript code and integrating the application with Firebase services

Live Demo: <https://owalid750.github.io/NTI-Web-Design-Final-Project/index.html>

Source Code: <https://github.com/owalid750/NTI-Web-Design-Final-Project>

- **ThinkifyJS (my open-source project)** ([collaborate](#))

ThinkifyJS is an open-source JavaScript interview prep tool. It allows users to test their knowledge before interviews. In version 0.1, users can answer questions, view results, and assess their readiness.

## Skills

- **Technical Skills**

- **Front-End Development:** HTML, CSS, JavaScript, Bootstrap
- **Version Control:** Git, GitHub
- **Firebase:** Authentication and Firestore

- **Soft Skills**

- **Communication:** Able to clearly explain ideas and collaborate with team members.
- **Problem-Solving:** Quick to identify issues and learn how to fix them.
- **Teamwork:** Enjoys working with others and supporting team goals
- **Adaptability:** Open to learning new tools and adjusting to new environments.
- **Time Management:** Able to organize tasks and meet deadlines.

## Language

**Arabic: Native**

**English: B2**
